Abbey and Matt welcomed Cora in July

Sarah and Kris welcomed Eli in January – he joins big sister Anna and big brother Connor

What a winter – the grandkids loved it!

What a year! The market has changed but interestingly, for our breed it has changed for the better.

In the times of unprecedented high prices for feeder cattle, no one wanted to hear about lowering annual cow cost. But the last 12 months have brought a difference in attitude among progressive beef cattle producers. The very best producers have changed their focus – not the biggest calves bring the most dollars but instead, “What can I do to wean more pounds of beef per acre and cut my input costs?” What a great question ... and easily answered with the use of the genetics offered in this sale. These bloodlines will help you moderate cow size, increase the fleshing ability of your replacements and lower per head annual cow maintenance costs.

The best recommendation you can give your commercial cattleman friends is to use fullblood and Moderator bulls on their first-calf heifers and eliminate all calving issues. Then keep the Moderator-cross heifers as replacements to take 300# off mature cow size, thereby increasing carrying capacity and increasing pounds of beef per acre. The NDSU Dickinson Research Center has done it by 37% more weaning weight per acre out of Moderator-cross calves.

We have had a wonderful year despite the severe winter. We have had great sales and a great showing in Kansas City where we had American Royal Supreme Champion Female with EZ All Better as well as three division champions. The All Jacked Up offspring helped us win the coveted Best 6 Head award at the American Royal.

It's also been a great year for our family – we got to welcome a new granddaughter and a new grandson.

We have a great sale offering this year with high quality fullbloods and some tremendous Moderators, both heifers and cows. We are also offering a great set of bulls, some breed-changing embryos and rare semen packages.

Welcome to North Dakota. Don't hesitate to call us if there is anything we can do to make your trip more memorable. Thank you for your interest in our program.

Sincerely,  
Neil and Jan Effertz

Nephew Sam Peterson winning the 2016 Iowa State Fair with Grand Champion EZ All Better 01C while a proud Uncle Neil looks on with EZ All That 09C, both daughters of All Jacked Up...fun day.

# EZ *Sale Information* H

**Saturday, June 3, 2017 • 1 p.m.**

## OFFERING 61 LOTS OF FULLBLOODS & MODERATORS

Pairs – Show Heifers – Bulls – Embryos – Semen

### BREEDING PRIVILEGES:

For each EZ female lot purchased, the buyer will be entitled to two straws of semen from an Effertz EZ Ranch herd bull for use on that female. The certificate to register one calf out of the female purchased at the sale will be provided to the buyer at no additional cost. For more details, refer to inside back cover.

### DIRECTIONS TO THE RANCH:

Effertz EZ Ranch is about 16 miles north of Bismarck, ND on Highway 1804. From Bismarck, take Highway 83 north for 4 miles to the junction of Highway 1804. Stay on Highway 1804 for 12 miles as you go west then north along the Missouri River. The ranch is on the west side of the road between mile markers 95 and 96.

### VIDEO AND ONLINE UPDATES:

We will have video of most of the sale cattle on our website [www.loala.com](http://www.loala.com). We will also update the online supplement sheet with calving and breeding dates and new photos. Check the website often for new information.

### AREA MOTELS:

Rooms are being held at these convenient area motels:

**AmericInn Lodge and Suites**..... 701-250-1000  
3235 State St., Bismarck ND (Ask for the Effertz EZ Ranch block of rooms)

**Super 8 North**..... 701-751-2550  
1405 Skyline Way, Bismarck ND

**Wingate by Wyndham**..... 701-751-2373  
1421 Skyline Dr., Bismarck ND

Rooms are still difficult to find in Bismarck so we recommend early reservations. Let us know if you are having trouble finding a room.

### SPECIAL REPRESENTATIVES:

**Kris Petersen**, Cattle Business Weekly..... 701-339-0305 cell

**Dean Pike**, American Lowline Registry..... 303-810-7605 cell

If you are unable to attend the sale and would like to discuss the sale cattle, we urge you to call Dean Pike. He is an experienced cattleman and field representative and a valuable resource for Lowline breeders. He will discuss the sale cattle with you and help you with your selections. You are also welcome to call Kris Petersen or Neil.

### TRUCKING:

We will assist buyers in coordinating transportation.

### ABSENTEE BUYERS:

Even if you intend to buy via liveauctions, we strongly recommend you call someone who is at the sale to discuss the cattle prior to the sale. Dean Pike or Kris Petersen will be happy to assist you as will anyone in our family. If you encounter problems during the sale with your internet feed, call us right away and we will help you bid. Feel free to call Abbey (701-471-1224) or Jan (701-471-0152) or call Neil's phone (701-471-0153).

### HERD HEALTH:

Yearling heifers and cows have all been calfhood vaccinated for Bangs. The yearling heifers have had our preweaning vaccination program of Virashield Plus Somnus and Ultrabac 7. The calves and yearling heifers have been vaccinated with moraxilla bovis for pinkeye. The heifers and cows have been vaccinated with Virashield VL6. All cattle have been poured.

### INSURANCE:

Livestock insurance will be available at the settlement desk for those buyers wanting to insure their purchases. We ask any buyers who leave their purchases at the ranch more than a day or two to insure them.

## 11th Annual Focus on Efficiency Schedule of Events

### FRIDAY, JUNE 2

**2:00 P.M. CATTLE READY FOR VIEWING**

**3:30 P.M. BREEDERS' SEMINAR**

We hope you can join us for an afternoon of interesting topics of particular interest to Lowline breeders, addressed by engaging experts in their field. It's a great time to network with fellow cattlemen and enjoy supper. Please join us!

**Joshua Dukart**, is a Certified Educator of Holistic Management, regularly speaking and teaching internationally. He has a degree in Agricultural and Biosystems Engineering from NDSU. He was recognized as one of North Dakota's Top 40 Professionals Under Age 40 in 2012 and awarded the Cattle Business Weekly Top 10 National Industry Leaders Award in 2015. He and his wife

and family also manage their family ranch near Hazen, ND. Joshua will speak on his experience with the benefits of cover crops to soil health and increased livestock production per acre on your ranch.

**6:00 P.M. SUPPER & SOCIAL**

### SATURDAY, JUNE 3

**10:00 A.M. PRE-SALE HOSPITALITY**

Have a cup of coffee, look at the sale cattle and visit with fellow cattlemen.

**11:30 A.M. JOIN US FOR LUNCH**

**1:00 P.M. 11TH ANNUAL  
FOCUS ON EFFICIENCY SALE**

Following the sale be sure to stay for ranch tours and supper. It's time to relax!

This powerful fullblood bull is the biggest, stoutest made fullblood bull we have ever had on the ranch. He weighed 1900# coming off grass in the fall and stands 50.5" tall. He is athletic, incredibly structurally correct and good natured. His dam is the renowned Kobblevale Surprise. We feel that All Jacked Up may well become Jackaroo's best breeding son. His first daughters are in production this spring – they are great mothers and milk well, staying in great shape.

Boxcar was a very impressive show bull (2012 National Reserve Grand Champion) that has grown into an even more impressive herd bull. He is sound, athletic, virile and maintains tremendous body condition in heavy natural service. We've used him on fullblood and percentage Lowline females for 4 years and have yet to assist a birth. His cattle are sound, balanced and well muscled.

Luke is an easy calving fullblood bull that carries the red gene. Used extensively on our first-calf heifers, both fullblood and percentage, all have calved unassisted. His calves have the same deep body, easy fleshing and stout muscling we see out of the EZ Western breeding. His structural soundness and mobility make us think these cattle will have tremendous longevity.

Lot 41

Our cows grazing cover crop at 20 below this past December. These efficient, moderate sized cows are preg checked bred and in real good shape. It was a very tough winter and we really appreciated the efficiency of this cow herd.

# EZ Embryos NCH

## 42 3 Fullblood Embryos

**Sire: MCR All Jacked Up FM18338**

**Dam: ILC Diamond Jules 06Z FF17613**

The 2016 National Calf Champion and the 2017 American Royal Grand Champion EZ All In 05C is the result of this mating. "Very well balanced and flawless structural correctness," were the judges' comments at the shows. These embryos should produce some exceptional calves.

EZ All In 05C, full sib to the Lot 42 embryos

## 43 A&B 6 Fullblood Embryos

**Sires: 3 embryos by Beau Lad AULM0543**

**3 embryos by Yarra Ranges Jackaroo FM8279**

**Dam: EZ Lady Luck 51N FF2219 Lot 10**

Lady Luck is a wonderful Magnum daughter who was the 2004 Reserve National Champion Female. She is so well balanced and started off as an extremely flashy heifer calf. Her offspring exhibit the same characteristics. She is the dam of our donor and Houston Champion EZ Lacey 55T. Whether sired by Beau Lad or the Australian Champion Jackaroo, these are "no miss" matings should produce special calves.

EZ Lady Luck 51N

Jackaroo

## 44 4 Fullblood Embryos

**Sire: EZ Captain Jack 1X**

**Dam: EZ Lacey 55T**

Captain Jack was the best looking calf at an early age we've ever produced. He has continued to sire those great looks and natural thickness in his offspring. He should complement the structural correctness and femininity found in Lacey, the 2009 Houston Grand Champion. These embryos should produce special calves.

EZ Lacey 55T

Captain Jack

## 45 4 Halfblood Moderator Embryos

**Sire: MCR All Jacked Up FM18338**

**Dam: TCS Honey 1S**

The renowned Honey 1S, sired by a registered Angus bull and out of a registered Shorthorn cow, has produced champion after champion for Brad and Julie Tummons. Mated to the sire of champions, All Jacked Up, these embryos will produce stout made, long bodied heifers or bulls with proven competitiveness.

TCS Honey 1S

MCR All Jacked Up

**All AI certificates necessary to register calves resulting from these embryos are provided at no additional cost.**

# EZ Semen & Embryos

## 46 3 Red Halfblood Moderator Embryos

**Sire: Lazy G Infrared FM8700**

**Dam: Miss XL W96E Registered Simmental 2504896**

Here is a set of full sib embryos to our EZ Lazer 146A bull we own with Dean Danilson in Iowa. He's a great breeding bull. These embryos will produce some excellent red Moderator calves sired by the highest marbling sire in the breed.

Miss XL  
W96E

Lazy G  
Infrared

## 47A Brackengrae Bean Lad Fullblood Bull

AULM054

Beau Lad is the "6807" of the Lowline breed. His daughters are incredibly, fundamentally sound. He is consistently found in the genetic background of a majority of the breed's best breeding stock, both bulls and females. Not only are his cattle attractive and functional, they have superior carcass genetics. There is very limited Beau Lad semen. Selling 3 straws.

## 47B EZ Red Lodge 7C Red Fullblood Bull

FM25991

Red Lodge has been an impressive red fullblood that we used as a yearling. He bred well on several head and stayed in remarkable shape. Truly one of the best looking red fullbloods anywhere.

Selling 10 straws.

## 47C All Jammed Up 00B Fullblood Bull

FM27211

All Jammed Up is one of All Jacked Up's most dynamic sons. He was 2017 National Reserve Champion Senior Yearling Bull in Denver and he is extremely fertile, producing excellent quality semen. Co-owned with Big Island in Alberta.

Selling 10 straws.

## 47D ALM Clout 27H Fullblood Bull

FM9

Clout is an underused asset to the breed. He is a powerful son of the great Admiral J222, the foundation herd sire for the famous Brambletye herd in Australia. His calves are thick and his daughters milk very well.

Selling 10 straws.

## 47E Little Joe 305R Fullblood Bull

FM3119

The National Champion Little Joe has sired the National Champion Pen of Heifers in the all breed Commercial Heifer Show at the National Western Stock Show. His daughters make great cows. Selling 10 straws.

## 47F TRA M206 Midshipman Fullblood Bull

AULM004

Another underused fullblood bull is the old "Ribeye King" Midshipman. His halfblood daughters were the foundation of our Moderator herd. He is easy calving, well muscled and produces great females.

Selling 10 straws.

## 47G EZ Sawyer 321S 3/4 Moderator Bull

XM8521

Sawyer is a black red gene carrier 3/4 blood Moderator bull who puts show style and muscle in his calves. His daughters are attractive and great calf raisers. We use him on 3/4 females to stay at that super efficient 3/4 level and we use him on 1/4 bloods to make some competitive halfbloods.

Selling 10 straws.

## 47H EZ Lazer 146A Red Halfblood Moderator Bull

MM2403

Lazer is a well muscled, well built Moderator halfblood out of a tremendous Red Angus X Simmental donor cow. You will love his calves. They come easy and yet really grow. Selling 10 straws.

 Union Pacific  
 ALM Prairie 40H

Laredo is a stout built Luke son that could carry the red gene. His dam by Update is out of one of our biggest bodied fullblood cows. Lots of beef in this cow family.

Here's another 43.75% Moderator Plus bull with a different twist. He's sired by the red Wagyu bull Big AI. He should be an easy calver and really put some carcass merit and marbling in his offspring.

## World Cattlemen's Cow Efficiency Congress

We are very excited for this upcoming seminar September 1 – 3, 2017, in Dickinson, North Dakota, hosted by the NDSU Dickinson Research Center. The Dickinson Research Center has been studying their herd of Moderator females for years. The Congress will focus on signals to pay attention to when striving to become more efficient and attempting to return more net revenue to the ranch in a beef cattle enterprise. Animal scientists from several notable universities and research facilities will speak to a paradigm shift that can make us all more efficient and more profitable. We hope you will attend.

### Schedule of Events

#### Friday, September 1, 2017

- 2:00 p.m. Cow Efficiencies, Economics and a Rebranding Strategies Discussion
- 5:30 – 6:30 p.m. Medora Pitchfork Fondue
- 7:30 p.m. Medora Musical at the Burning Hills Amphitheatre

#### Saturday, September 2, 2017

- 8:30 a.m. Welcome and Overview of the Dickinson Research Center Data  
Dr. Kris Ringwall
- 9:00 a.m. DREC Pasture Tours in Horse-Drawn Wagons
- 10:30 a.m. Type Conference, DREC Livestock Arena  
Dr. Clint Rusk, Oklahoma State University
- 12:00 p.m. Lunch sponsored by American Bank Center
- 12:30 p.m. Keynote Speaker  
Dr. David Lalman, Oklahoma State University Extension Service
- 1:30 p.m. Presentation of the NDSU "Effects of Frame Size on Efficiency and Longevity" Study Data  
Dr. Lauren Hanna and others
- 4:30 p.m. Ranch Tour and Refreshments at Shetler Cattle Company, Dickinson
- 5:00 p.m. Soil Health Presentation with Water Infiltration Demonstration  
Jay Furher and Joshua Dukart
- 6:00 p.m. Evening Meal at the Shetler Ranch
- 7:00 p.m. Nationally Known Cowboy Poet (as seen on the Tonight Show)  
Rodney Nelson

#### Sunday, September 3, 2017

- 10:00 a.m. "Photography 101" Cattle Photography Workshop  
Tracey Koester, Cow Camp Promotions
- 1:00 p.m. Bully Pulpit Golf Course, Scramble Golf Tournament. Non-golfers can tour Theodore Roosevelt National Park and historic Medora, ND.

**Headquarters Hotel: Ramada Grand Dakota Lodge • Dickinson, ND • 701-483-5600**

# EZ Ranch Terms & Conditions

**Terms:** Terms of the sale are cash or check payable immediately upon conclusion of the sale and before animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle.

**Insurance of Purchases and Risk:** All animals are the seller's risk prior to their sale and become property of the buyer as soon as declared sold by the auctioneer. Arrangements will be made to have insurance available when making settlement. Cattle left at Effertz EZ Ranch after the sale must be insured by the purchaser.

**Bidding:** All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

**Health Papers:** Our vet will be on hand to write interstate health certificates.

**Registration and Transfer:** All animals sell with registration papers from the American Lowline Registry and will be transferred after the sale at the seller's expense.

**Announcements:** Any errors or changes of information contained in the catalog will be announced from the auction block and such announcements shall take precedence over information contained in the catalog.

**Breeding Guarantee:** Bred females in the sale have been pregnancy examined by a veterinarian and found to be safe in calf. Bred females and females with calves at side are considered to be breeders and no further guarantee applies. The open heifers selling are guaranteed to be breeders. If a female appears to be a non-breeder within 6 months of the sale (or within 6 months of when

she reaches breeding age) she may be returned to the seller at the buyer's expense. The seller will then reserve the right to prove the animal a breeder within a six month period, using any fullblood or Moderator bull of his choice through AI or natural service. If successful, seller will return animal to buyer, again at buyer's expense. Should the animal fail to prove a breeder, the seller at his option may either return the purchase price to the buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. In no event shall the seller be responsible for more than the purchase price.

In case the animal in question should develop to be a problem breeder due to negligence or improper management by the buyer or if the female has been subjected to any hormonal or surgical reproduction techniques, the seller's guarantee does not apply. No guarantee is given that bred females will deliver a live calf. No guarantee is given that a female will produce eggs suitable for transplant.

All bulls are semen tested. No guarantee is given that a bull will produce semen that will freeze.

**Liabilities:** All persons who attend the sale do so at their own risk and Effertz EZ Ranch assumes no liability for any accidents that may occur. Neither does Effertz EZ Ranch assume any liability for loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God.

**Contract:** The above terms and conditions shall constitute a contract between the buyer and the seller of each animal sold.

**Mail bid:** Mail or wire bids may be furnished. Bids must be in the hands of the sale staff in ample time prior to the sale and will be handled in strict confidence.

# EZ *Breeding Privileges* H

Each female lot in the sale sells with breeding privileges to our Effertz EZ Ranch herd bull battery. Effertz EZ Ranch will provide two straws of semen and one AI certificate for one calf out of the cow purchased in the sale. The shipping cost for the semen will be the buyer's responsibility. Buyers are welcome to bring their semen tanks to the sale and pick up semen them.

Because of extremely limited supply, semen on Beau Lad, Utah, Lisbon, Gus, Mojo, Magnum, Dakota Pride, Rudy, All Jacked Up and Jackaroo will not be available for breeding privileges.

Many of our herdsires are pictured here. Complete pedigrees are available on our website [www.effertzezranch.com](http://www.effertzezranch.com) or call us for more information.

Semen is available on many of these bulls for \$25/straw. If you need to purchase semen and want to save shipping expenses, call ahead so we are sure we have what you need in our tank and you can pick it up sale day.
