[effertz@bektel.com](mailto:effertz@bektel.com)

Welcome!

Sometimes it's hard to focus. Always, it's hard to change. Therefore it is always hard to focus on changing.

When your cattle enterprise is not profitable you have two choices ... do nothing and stay the same or change what you are doing or how you are doing it. That's the hardest option but the only one that works!

We all wish for some things to be different ... the weather, the government, the markets. Truth is none of these things are under our control. The only thing under our control is us, what we do, when we do it and how we do it – all the things that human nature makes hardest to change. By definition, if you want things to be different, you must change.

As the ad on page 23 says, "Change is hard – cashing bigger checks isn't." The cattle selling in this Focus on Efficiency Sale will help you moderate your cow size, increase the fleshing ability of your replacements and lower per-head maintenance costs.

The best recommendation you can give your commercial cattlemen friends is to use fullblood Aberdeen and Moderator bulls on their first-calf heifers and eliminate all calving issues. Then, keep the Moderator – cross heifers as replacements to take 300 pounds off mature cow size, thereby increasing carrying capacity and increasing pounds of beef weaned per acre. The NDSU Dickinson Research Center has done it by 37% more weaning weight per acre out of Moderator-cross calves.

This has been another special year for our customers. A heifer we bred, EZ Hottie's Girl 46D, was the winningest heifer in America and topped the 2018 National Sale in Denver at \$22,000 for Dalton Bane in Illinois.

We are offering maybe the best set of Moderator and fullblood Aberdeen bulls we've ever had in our sale. They are ultrasound evaluated for carcass traits, semen tested and ready to breed cows or heifers. We are also offering a great set of fullblood females and some tremendous Moderators, including the pick of our National Champion Pen of Moderator Heifer Calves.

Welcome to North Dakota. Don't hesitate to call us if there is anything we can do to make your trip more memorable. Thank you for your interest in our program.

Sincerely,  
Neil and Jan Effertz

The boys went fishing....

...and the girls enjoyed The Merc.

She said, "Yes!" Our adventurers, Karl and Steph, got engaged in the wilderness of the Enchanted Valley in the Pacific Northwest last summer – congratulations!!

# E Z Sale Information

**Saturday, June 2, 2018 • 1 p.m.**

**On the ranch, Bismarck, ND**

**Sale Day Phones: 701-223-5202 • 701-471-0153 • 701-471-0152**

## OFFERING 75 LOTS OF FULLBLOOD & MODERATOR ABERDEEN CATTLE

Pairs – Show Heifers – Bulls – Embryos – Semen

Including choice of the

2018 National Champion Pen of Open Moderator Heifers

## BREEDING PRIVILEGES:

For each EZ female lot purchased, the buyer will be entitled to two straws of semen from an Effertz EZ Ranch herd bull for use on that female. The certificate to register one calf out of the female purchased at the sale will be provided to the buyer at no additional cost. For more details, refer to inside back cover.

## DIRECTIONS TO THE RANCH:

Effertz EZ Ranch is about 16 miles north of Bismarck, ND, on Highway 1804. From Bismarck, take Highway 83 north for 4 miles to the junction of Highway 1804. Stay on Highway 1804 for 12 miles as you go west then north along the Missouri River. The ranch is on the west side of the road between mile markers 95 and 96.

## VIDEO AND ONLINE UPDATES:

We will have video of most of the sale cattle on our website

**www.effertzezranch.com.** We will also update the online supplement sheet with calving and breeding dates and new photos. Check the website often for new information.

## AREA MOTELS:

**Americinn Lodge and Suites**.....701-250-1000  
3235 State St., Bismarck ND (Ask for the Effertz EZ Ranch block of rooms)

**Super 8 North** .....701-751-2550  
1405 Skyline Way, Bismarck ND

**Wingate by Wyndham**.....701-751-2373  
1421 Skyline Dr., Bismarck ND

Rooms are still difficult to find in Bismarck so we recommend early reservations. Let us know if you are having trouble finding a room.

## SPECIAL REPRESENTATIVES:

**Kris Petersen** ..... 701-339-0305 cell

**Dean Pike**, American Aberdeen Association ..... 303-810-7605 cell  
If you are unable to attend the sale and would like to discuss the sale cattle, we urge you to call Dean Pike. He is an experienced cattleman and field representative and a valuable resource for Aberdeen breeders. He will discuss the sale cattle with you and help you with your selections. You are also welcome to call Kris Petersen or Neil.

## TRUCKING:

We will assist buyers in coordinating transportation.

## ABSENTEE BUYERS:

Even if you intend to buy via liveauctions, we strongly recommend you call someone who is at the sale to discuss the cattle prior to the sale. Dean Pike or Kris Petersen will be happy to assist you as will anyone in our family. If you encounter problems during the sale with your internet feed, call us right away and we will help you bid. Feel free to call Abbey (701-471-1224) or Jan (701-471-0152) or call Neil's phone (701-471-0153).

## HERD HEALTH:

Yearling heifers and cows have all been calthood vaccinated for Bangs. The yearling heifers have had our preweaning vaccination program of Virashield Plus Somnus and Ultrabac 7. The calves and yearling heifers have been vaccinated with moraxilla bovis for pinkeye. The heifers and cows have been vaccinated with Virashield VL6. All cattle have been poured.

## INSURANCE:

Livestock insurance will be available at the settlement desk for those buyers wanting to insure their purchases. We ask any buyers who leave their purchases at the ranch more than a day or two to insure them.

## Schedule of Events

### FRIDAY, JUNE 1

**2:00 P.M. CATTLE READY FOR VIEWING**

**3:30 P.M. BREEDERS' SEMINAR**

We hope you can join us for an afternoon of interesting topics of particular interest to Aberdeen breeders, addressed by engaging experts in their field. It's a great time to network with fellow cattlemen and enjoy supper.

Please join us!

**Jerry Doan** will speak on the Top Ten Ways to Increase Profitability.

Jerry is a fourth-generation rancher from McKenzie, ND. He and his wife Renae operate Black Leg Ranch along with their sons Jeremy, Jay, and Jayce Doan. Their daughter Shanda is also involved. The ranch was homesteaded in 1882 by Jerry's great grandfather in what was then Dakota Territory.

He has used Aberdeen and Aberdeen Moderator bulls to bring his cow size down and lower his maintenance costs and increase his stocking rate. He also has increased his ranch's emphasis on soil health, in part to increase the land's productivity and generate more income from it. Expanded use of cover crops is one of the tools used by the Doans. The Doans have a cow/calf operation so making the land more productive and supporting more livestock on it is a consideration, too. They are also involved in custom-grazing, or "selling our grass" to other cattle producers, as Jerry puts it.

They use holistic management to operate their ranch, regenerating the natural resources and allowing wildlife to flourish. They have made huge strides in improving the soil health of their cropland and native rangeland while improving the bottom line and quality of life for their family.

**6:00 P.M. SUPPER & SOCIAL**

### SATURDAY, JUNE 2

**10:00 A.M. PRE-SALE HOSPITALITY**

Have a cup of coffee, look at the sale cattle and visit with fellow cattlemen.

**11:00 A.M. SOIL HEALTH DEMONSTRATION**

Jay Fuhrer, conservationist with NRCS, will present a hands-on soil health demonstration.

**12 NOON JOIN US FOR LUNCH**

**1:00 P.M. FOCUS ON EFFICIENCY SALE**

Following the sale be sure to stay for ranch tours and supper. It's time to relax!

EZ All In 05C is one of the most completely well-balanced, nicest fronted, structurally correct fullblood herdsires that we've ever used. As 2016 National Junior Calf Champion he looked great. We used him that summer and he went on to win the American Royal in October – still looked great. He is pictured as a 2-year-old on pasture last summer after breeding for over a month in the most severe drought we've had in decades. He is sound, athletic and maintains his flesh and terrific conformation.

Jasmine is a half sister to EZ Cinderella who has produced more national champions than any cow in the breed. Jasmine has two daughters in our herd and several others in leading herds across the U.S. A son, Boxcar Willie, topped our sale in 2013. She is a tremendous producer who should be flushed. She would be a candidate for in vitro right after the sale. She was AI bred to All Jacked Up FM18338 4/19/18.

EZ Fantasia 20J, dam of Lot 14

# ★ AMERICAN ★ **ABERDEEN** ASSOCIATION

Change is hard...  
**Cashing bigger checks isn't.**

Now is the time to add American Aberdeen genetics to your cow herd to increase efficiency and profitability.

- » Reduce mature cow size to a more profitable level
- » Reduce calving problems
- » Produce more ribeye per hundredweight
- » Increase marbling
- » Produce more gain per acre
- » Increase percentage of cow weight weaned
- » Increase pounds and value of beef raised per acre

# EZ *Terms & Conditions* H

**Terms:** Terms of the sale are cash or check payable immediately upon conclusion of the sale and before animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle.

**Insurance of Purchases and Risk:** All animals are the seller's risk prior to their sale and become property of the buyer as soon as declared sold by the auctioneer. Arrangements will be made to have insurance available when making settlement. Cattle left at Effertz EZ Ranch after the sale must be insured by the purchaser.

**Bidding:** All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

**Health Papers:** Our vet will be on hand to write interstate health certificates.

**Registration and Transfer:** All animals sell with registration papers from the American Aberdeen Association and will be transferred after the sale at the seller's expense.

**Announcements:** Any errors or changes of information contained in the catalog will be announced from the auction block and such announcements shall take precedence over information contained in the catalog.

**Breeding Guarantee:** Bred females in the sale have been pregnancy examined by a veterinarian and found to be safe in calf. Bred females and females with calves at side are considered to be breeders and no further guarantee applies. The open heifers selling are guaranteed to be breeders. If a female appears to be a non-breeder within 6 months of the sale (or within 6 months of when

she reaches breeding age) she may be returned to the seller at the buyer's expense. The seller will then reserve the right to prove the animal a breeder within a six month period, using any fullblood or Moderator bull of his choice through AI or natural service. If successful, seller will return animal to buyer, again at buyer's expense. Should the animal fail to prove a breeder, the seller at his option may either return the purchase price to the buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. In no event shall the seller be responsible for more than the purchase price.

In case the animal in question should develop to be a problem breeder due to negligence or improper management by the buyer or if the female has been subjected to any hormonal or surgical reproduction techniques, the seller's guarantee does not apply. No guarantee is given that bred females will deliver a live calf. No guarantee is given that a female will produce eggs suitable for transplant.

All bulls are semen tested. No guarantee is given that a bull will produce semen that will freeze.

**Liabilities:** All persons who attend the sale do so at their own risk and Effertz EZ Ranch assumes no liability for any accidents that may occur. Neither does Effertz EZ Ranch assume any liability for loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God.

**Contract:** The above terms and conditions shall constitute a contract between the buyer and the seller of each animal sold.

**Mail bid:** Mail or wire bids may be furnished. Bids must be in the hands of the sale staff in ample time prior to the sale and will be handled in strict confidence.

# EZ *Breeding Privileges* H

Each female lot in the sale sells with breeding privileges to our Effertz EZ Ranch herd bull battery. Effertz EZ Ranch will provide two straws of semen and one AI certificate for one calf out of the cow purchased in the sale. The shipping cost for the semen will be the buyer's responsibility. Buyers are welcome to bring their semen tanks to the sale and pick up semen then.

Because of extremely limited supply, semen on Beau Lad, Utah, Lisbon, Gus, Mojo, Magnum, Dakota Pride, Rudy, All Jacked Up and Jackaroo will not be available for breeding privileges.

Many of our herdsires are pictured here. Complete pedigrees are available on our website [www.effertzezranch.com](http://www.effertzezranch.com) or call us for more information.

Semen is available on many of these bulls for \$25/straw. If you need to purchase semen and want to save shipping expenses, call ahead so we are sure we have what you need in our tank and you can pick it up sale day.
